A NOTE OF THANKS:

A production of this size and scope is only possible through the coordinated efforts of so many people. Our all-student designed productions are a uniquely exciting aspect of CSU Theatre. The creative time and energy from all our students and their staff and faculty mentors is worthy of a huge cheer of thanks. A special thanks to Dr. Rebecca Phillips, our esteemed Conductor for *Into The Woods*, without her participation we wouldn't have the beautiful orchestra we are fortunate to have help us tell this story! Also, the support of our SMTD Director, Dan Goble, whose dedication to our program allows us to take exciting steps forward like this.
